“

I had such a wonderful time at SAS. It was an amazing event, both very substantive but also a lot of fun. I hope we can stay in touch and if I ever get another invite to your conference I would be honored to come and speak again or just engage with you guys.

Thank you so very much for having me at SAS. It was a pleasure and an honor to speak at the best security conference I have ever attended. The content was great, the networking was even better, and being in paradise with all of the events was the best.
