Thank you so very much for having me at SAS. It was a pleasure and an honor to speak at the best security conference I have ever attended. The content was great, the networking was even better, and being in paradise with all of the events was the best.

## SPONSORSHIP PACKAGES ALSO AVAILABLE FOR:

### SAS UNPLUGGED

#TheSAS2019 is thrilled to introduce *a new component* – **SAS Unplugged** – as a way to give back to the security research community. **SAS Unplugged** is an adjoining mini-conference providing workshops, presentations, technical classes, career advice, and interactive games and challenges.

### CAPTURE THE FLAG

A **capture the flag (CTF)** contest is a competition for cybersecurity experts organized in the form of a game, in which the participants solve computer security problems. They must either capture (attack/bring down) or defend computer systems in a CTF environment. Typically, these competitions are team-based and attract a diverse range of participants, including students, enthusiasts and professionals.

**#TheSAS2019 CTF** is a unique cybersecurity challenge that combines ICS/IOT/smart-home hacking challenges with traditional CTF components to expand the range of challenges to the teams of players.
